LIABILITIES MANAGEMENT
CORPORATION (PSALM),
Applicant.

NOTICE OF VIRTUAL HEARING

TO ALL INTERESTED PARTIES:

Notice is hereby given that on 04 September 2020, Power Sector Assets and Liabilities Management Corporation (PSALM) filed an Application dated 18 June 2020, seeking the Commission’s approval of its Letters of Agreement (LOAs) for the Supply of Electric Energy with the Distribution Utilities (DUs) in the Visayas Grid, with prayer for issuance of provisional authority.

The pertinent portions of the said Application are hereunder quoted as follows:

1. This is an Application for the Approval of the terms and conditions of the Letters of Agreement (LOAs) entered into by and between Applicant PSALM and several Distribution Utilities (DUs) in the Visayas Grid pursuant to Section 67 of Republic Act No. 9136, otherwise known as the “Electric Power Industry Reform Act (EPIRA) of 2001”.

2. PSALM is a government-owned and controlled corporation
created by virtue of the EP IRA, with principal office address at 24th Floor Vertis North Corporate Center 1, Astra corner Lux Drives, North Avenue, Quezon City.

3. Pursuant to Section 49 of the EP IRA and the consequent assignment on 11 May 2009 (the Letter of Agreement is hereto attached as Annex "A") of all NPC power supply contracts to PSALM, NPC assigned and transferred to PSALM all its rights and obligations in, to and under its CSEE’s and other similarly or substantially equivalent power supply contracts with NPC power supply contracts with NPC power customers (collectively referred to as “Power Supply Contracts”).

4. On and from 11 May 2009, the power supply contracts were deemed amended as follows: (i) all references to NPC therein shall be treated as references to PSALM; (ii) PSALM shall be deemed the SUPPLIER under said Power Supply Contracts; and (iii) the rights and obligations of the Parties shall be governed by and construed in accordance with said Power Supply Contracts, as amended by the 11 May 2009 Letter Agreement. Thus, this instant application by PSALM.

5. The CSEE’s were executed based on the ERC-approved template under ERC Resolution No. 8, Series of 2005 issued on 07 July 2005. On 09 August 2005, said template was later on amended by this Honorable Commission in its Resolution No 15, Series of 2005.

6. In ERC Resolution No. 33, Series of 2006, “Resolution Clarifying the Purpose of the Adoption of the TSC Template,” the ERC clarified that the TSC Template should merely serve as a guide for the DUs and NPC, and should not be construed as the contract contemplated under Section 67 of the EP IRA.

7. PSALM filed similar Applications in 2011, 2012, 2013 and 2014 for the Approval of the terms and conditions of the Contracts for the Sale of Electric Energy (CSEE’s) and Letters of Agreements (LOAs) with the following durations: (i) 26 December 2010 to 25 December 2011; (ii) 26 December 2011 to 25 December 2012; (iii) 26 December 2012 to 25 December 2013; and (iv) 26 December 2013 to 25 December 2014, respectively.

8. By reason of public bidding to privatize rights to the contracted energy under the Unified Leyte Geothermal Power Plant (ULGPP) and the asset sale of the Naga Power Plant Complex, PSALM no longer renewed the CSEE’s that expired on 25 December 2014.

9. The ULGPP has a dependable capacity of 400 MW out of the 538 MW installed capacity. At present, PSALM has contracted for a total of about 315 MW out of the available capacity of 400 MW.

10. On 08 June 2018, PSALM filed its Application for approval of
the CSEEs duly executed and negotiated with Leyte III Electric Cooperative, Inc. (LEYECO III) and Leyte V Electric Cooperative, Inc. (LEYECO V), docketed as Energy Regulatory Commission (ERC) Case No. 2018-055 RC, for the duration of 26 December 2017 to 25 December 2020. Said Application is pending resolution before this Honorable Commission.

11. On 31 May 2019, PSALM filed a similar application (docketed as ERC Case No. 2019-040 RC) for approval of several duly executed and negotiated CSEEs and LOAs with Visayas Grid DUs. These CSEEs had a duration of 26 December 2018 to 25 December 2019.

12. While the LOAs included in said Application are that of LEYECO III and LEYECO V relative to the CSEEs filed under ERC Case No. 2018-055 RC. The LOAs were necessary to accommodate LEYECO III and LEYECO V's requests for increase in contract demand and energy.

13. On 27 November 2019, the PSALM Board approved the execution of the CSEEs and were informed of the LOAs with the Visayas Electric Cooperatives for the period effective 26 December 2019 to 25 December 2020.

The 26 December 2017 to 25 December 2020 CSEEs under ERC Case No. 2018-055 RC

14. On 08 June 2018, PSALM filed its Application for the approval of the CSEEs duly negotiated and executed with LEYECO III and LEYECO V. Said Application is pending resolution before this Honorable Commission.

15. The foregoing CSEEs, which have durations from 26 December 2017 to 25 December 2020, were executed based on the template approved by this Honorable Commission under Resolution No. 8, Series of 2005 as amended by Resolution No. 15, Series of 2005. Likewise, the CSEEs incorporated the minor changes previously proposed by PSALM and approved by the DUs. Which changes were contained in the CSEEs approved by this Honorable Commission’s PSALM Application in ERC Case No. 2012-008 RC, ERC Case No. 2013-044 RC, ERC Case No. 2013-169 RC and ERC Case No. 2014-173 RC.

16. The revisions made in the CSEEs under said Application consist of (i) those found in Annex 1 of the CSEEs (which reflects the Contracted Energy and the corresponding equivalent demand); and (ii) the amendment of Section 3.1 on CONTRACT DURATION, as follows:

3.1 This Contract consisting of the Transition Supply Contract shall remain in full force and effect from 26 December 2017 to 25 December 2020. Unless otherwise provided, the applicable provisions of this Contract shall be deemed modified by the

19. Said Application pending for resolution before this Honorable Commission, also includes the LOAs of LEYECO III and LEYECO V relative to the CSEE s filed before this Honorable Commission under ERC Case No. 2018-055 RC.

21. The LOAs under ERC Case No. 2019-040 were likewise filed to accommodate the DUs request for increase in contract demand and energy from January to December 2019.

ALLEGATIONS IN SUPPORT FOR THE ISSUANCE OF PROVISIONAL AUTHORITY

28. PSALM acknowledges that the continued operation of the Distribution Utilities is indispensable to the economic efficiency of the franchise area they service, not to mention the ripple effect of that efficiency to the economic growth of the entire country. In order for these Distribution Utilities to continue lawfully drawing electricity from the grid, it is imperative that they enter into agreement/s with PSALM as Supplier for the supply of electricity, through a contract of sale.
for electricity, hence the respective CSEE.

29. Accordingly, a grant of provisional authority on the LOAs effective 26 December 2019 will benefit the DUs and will ultimately redound to the benefit of the end consumers.

30. Attached as Annex "E" is the Judicial Affidavit of Abner Tolentino, Department Manager, Asset Management Department, under the Office of the Vice President - Privatization and Asset Management Group attesting to the truth of the above matters.

31. Pursuant to ERC rules of practice and procedure, this Honorable Commission may exercise its discretion by granting provisional authority or interim relief prior to a final decision.

32. It is understood that the interim relief sought by Applicant PSALM that may be granted by this Honorable Commission, shall be subject to adjustments and other conditions that this Honorable Commission may impose after its hearing and final determination.
