

# ALFONSO G. CUSI

Secretary  
Department of Energy

Age: 69

Date of appointment: 30 June 2016

Department of Energy (DoE) Secretary Alfonso G. Cusi has more than forty years of leadership experience in both the private and public sectors. Prior to rejoining government service, Sec. Cusi was engaged in the logistics and transportation industries.

He chaired the Batangas-based shipping company Starlite Ferries, Inc., which is currently leading the modernization of the domestic shipping industry with its recent acquisition of brand-new roll-on, roll-off (ro-ro) commercial vessels custom built in Japan. He also founded and served as Chair and President of various companies engaged in logistics and distribution, manning and crewing, maritime engineering as well as convenience stores.

Sec. Cusi started his career in government service during the Arroyo administration, serving as General Manager of the Philippine Ports Authority (PPA) from February 2001 to July 2004. He was instrumental in the launch of the Strong Republic Nautical Highway that linked Luzon, Mindoro, Panay and Zamboanga del Norte in the country's western seaboard.

He had served as General Manager of the Manila International Airport Authority (MIAA) from August 2004 to March 2010 and initiated the opening of the then mothballed NAIA Terminal 3 in 2008.

As Director General of the Civil Aviation Authority of the Philippines from March to December 2010, he laid the groundwork for the restoration of the Category 1 status of the Philippine aviation industry.

Sec. Cusi hails from Roxas town in Oriental Mindoro and from Cebu City. He earned his Bachelor of Science degree in 1972 from La Salle College in Bacolod, his Master's degree in Business Administration in 1976 from the University of the Philippines-Cebu, and his Doctorate in Business degree, honoris causa, in 2008 from the Polytechnic University of the Philippines.

He was the Vice-Chair of PDP-Laban prior to his appointment as a member of the Cabinet.
